Coaching/Technical Directors Information

INTERNATIONAL
ICE HOCKEY
FEDERATION

There will be a National Association Coaching Director Workshop operating during the 2009 IIHF Hockey Development Camp. The people nominated will be responsible for Development and Coaching within their National Association. They will be actively involved in the promotion and distribution of information relating to development and coaching.

The Workshop program will include:

- Introduction of the IIHF National Association Development Assistance Program
- Identify primary issues for improvement and development of Coaching Programs
- Addressing and finding solutions to these primary issues
- Review and edit of the IIHF Coaching Program
- Development new sections for IIHF Coaching Program
- Review Coaching Education structures from other Member National Association's
- Information about the operation of Coaching programs including certification

Role

During the Camp you will participate in classroom sessions, where you will become familiar with the IIHF Coaching Program and coach education material. You will also be expected to prepare presentations for the other people participating in the workshop.

Theory meetings for players, analysing practices / games and presentation for other coaches are also included into the program.

Equipment

We encourage you to bring your skates, gloves and tracksuit as well as your off-ice training gear to camp. The IIHF can supply helmets and sticks to each in Vierumäki.

Profile

Included in this letter is an Information questionnaire, to help our IIHF Instructors prepare their program and to keep you updated about the program. I would ask you to take the time now to complete this questionnaire with all the information and send it back to me.

If you have any questions or concerns please do not hesitate to contact us via e-mail at the following address: easson@iihf.com

Finally on behalf of the IIHF, we look forward to seeing you in Vierumäki.

All the best,

International Ice Hockey Federation
